4.- There is / There are

There is / There are

Las expresiones **there is** y **there are** se utilizan en inglés para indicar que un objeto o una persona se encuentran en un sitio especificado. La particularidad de estas estructuras consiste en que **there** no es el sujeto real del verbo **to be**, aunque lo preceda. El sujeto real del verbo se encuentra en la posición inmediatamente posterior:

There is a book on the table. There are two books on the table.

A diferencia de la palabra "hay" en castellano, que es invariable, la forma del verbo **to be** cambia en función de la naturaleza del sujeto real

1. Utilizamos **there is** cuando el sujeto es: Un sustantivo contable singular: Los sustantivos incontables pueden llevar cuantificadores como *some, any, much, a lot of* etc.

2. Utilizamos **there are** cuando el sujeto es:

□ Un sustantivo plural:

There are two apples in the basket.

Importante:

Recordar que en inglés los sustantivos irregulares, aunque no lleven la marca "s", requieren el acuerdo en plural con el verbo *to be*:

There are a lot of people in the street.

There are twenty children in the class.

La forma negativa de las expresiones existenciales ***there is / there are*** se construye con la partícula negativa ***not***.

There isn't any apple in the basket.

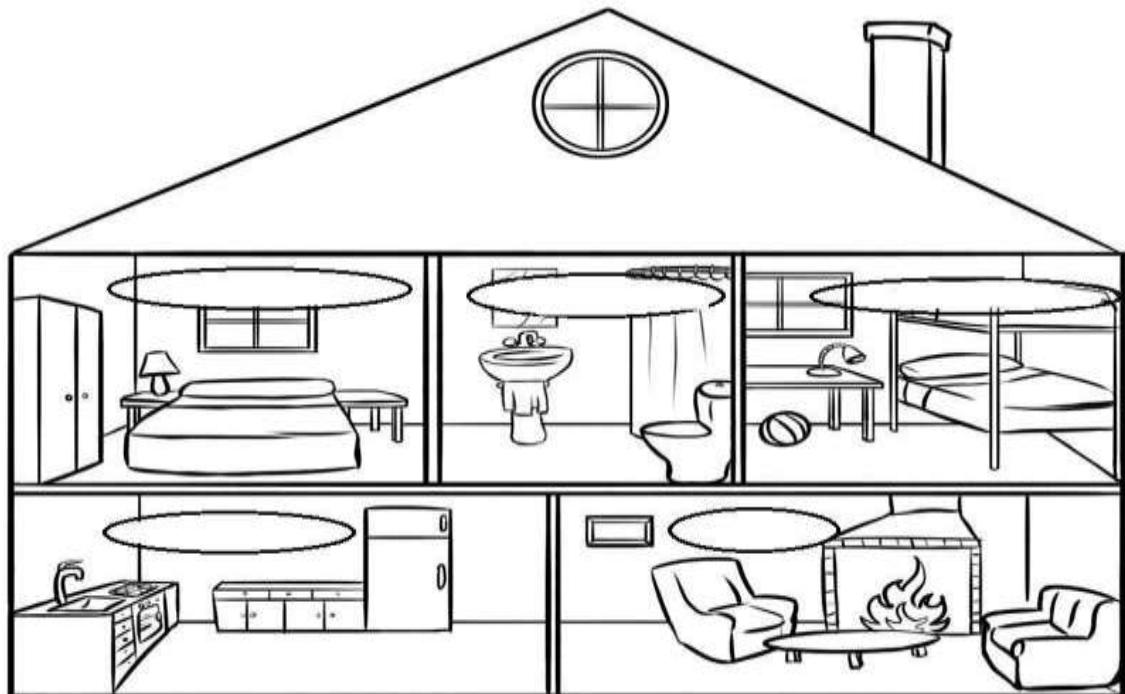

There aren't twenty children in the class.

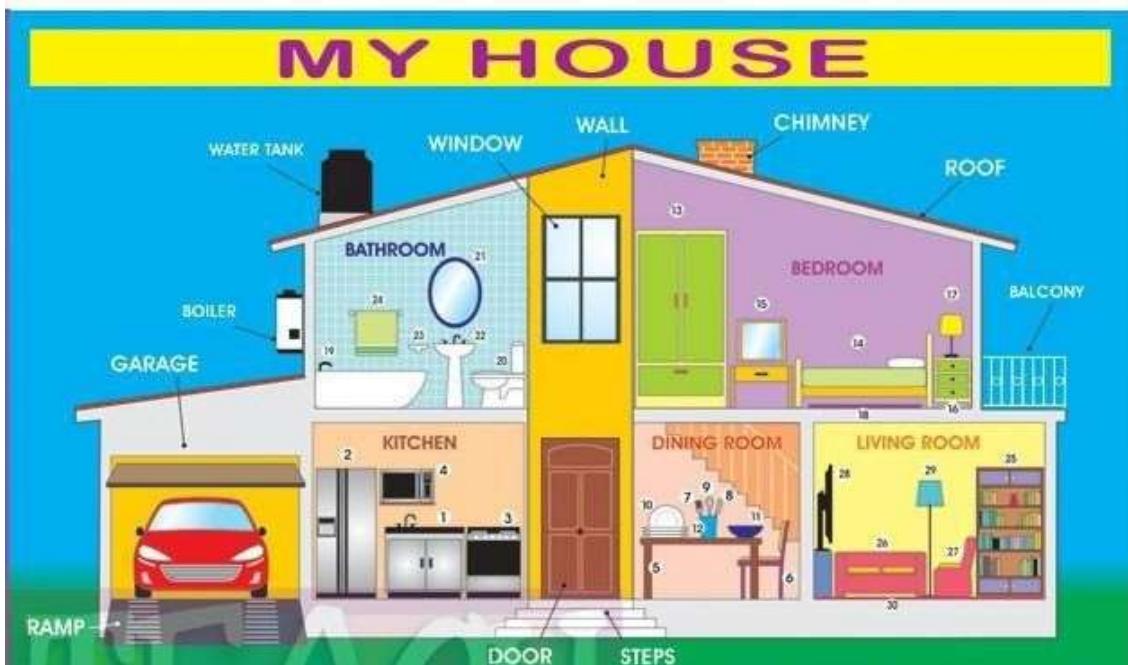

Observar que para decir que no hay ningún o ninguna se utiliza el cuantificador ***any***.

La forma interrogativa se construye mediante una inversión entre el verbo ***to be*** y el sujeto "postizo" ***there***:

Is there an apple in the basket?

Are there twenty children in the class?

1. _____ two bedrooms in the house

UNIDAD III

1.- Presente Simple.

Presente Simple.

El Presente Simple es un tiempo verbal que se utiliza para describir acciones habituales que suceden con cierta frecuencia y no hace referencia a si está ocurriendo en el momento actual. I play tennis. Yo juego tennis. (Hace mención de un deporte que realizó cotidianamente y que no necesariamente lo estoy jugando en este momento).

He works in an office. Él trabaja en una oficina. (Se refiere al trabajo que desarrolla una persona frecuentemente).

They travel to Madrid. Ellos viajan a Madrid. (Habla de un viaje que se repite a diario, aunque el sujeto no lo esté realizando ahora).

A continuación se muestran las formas afirmativa, interrogativa y negativa de este tiempo verbal:

SIMPLE PRESENT TENSE (Presente Simple)		
MODO AFIRMATIVO	MODO INTERROGATIVO	MODO NEGATIVO
I play Yo juego	Do I play? ¿Juego yo?	I do not play Yo no juego
You play Tú juegas	Do you play? ¿Juegas tú?	You do not play Tú no juegas
He plays Él juega	Does he play? ¿Juega él?	He does not play Él no juega
She plays Ella juega	Does she play? ¿Juega ella?	She does not play Ella no juega
It plays Él/Ella juega	Does it play? ¿Juega él / ella?	It does not play Él / Ella no juega
We play Nosotros jugamos	Do we play? ¿Jugamos nosotros?	We do not play Nosotros no jugamos
You play Ustedes juegan	Do you play? ¿Juegan ustedes?	You do not play Ustedes no juegan
They play Ellos juegan	Do they play? ¿Juegan ellos?	They do not play Ellos no juegan

En el cuadro superior se ha tomado como ejemplo el verbo PLAY (jugar). Observe que en el modo afirmativo, en la 3º persona del singular, se le añade una "S" al verbo.

He eats vegetables. Él come vegetales.

Alice dances at the theatre. Alice baila en el teatro.

The **dog breaks** the fence. El perro rompe la cerca.

En el modo interrogativo y negativo se utiliza el auxiliar DO, aunque en la 3º persona del singular se coloca como auxiliar DOES y se le quita la "S" al verbo.

Existen algunos casos particulares como por ejemplo, si el verbo empleado termina en "SS", "SH", "CH", "O" y "X" al formar la 3º persona del singular en la forma afirmativa se le agrega "ES". Aquí vemos algunos ejemplos:

She kisses to her boyfriend. Ella besa a su novio. Si el verbo es WATCH (observar), se conjugará: He watches the mountain. Él observa la montaña. Si el verbo es FIX (arreglar), se conjugará: He fixes his car. Él arregla su coche. Si el verbo es GO (ir), se conjugará: She goes to the office. Ella va a la oficina.

Otra excepción se presenta si el verbo termina en "Y" tras consonante. Para formar la 3º persona del singular se sustituye esta "Y" por una "i" acompañada de la terminación "ES". Por ejemplo: Si el verbo es STUDY (estudiar) se conjugará: She studies the lesson. Ella estudia la lección.

Para la forma negativa se puede emplear la forma contraída de DON'T en lugar de DO NOT o DOESN'T en vez de DOES NOT

I don't play tennis. Yo no juego al tennis. He doesn't work in an office. Él no trabaja en una oficina. They don't travel to Madrid. Ellos no viajan a Madrid.

Los sustantivos que terminan en “Y” pero antes va una consonante se cambia la “ Y” por la “I” y agregamos “es”. Ejemplos: **factory** = **factories**, **country** = **countries**. Las que terminan en “f”, “fe” cambiamos la “f” o “fe” por “ves”. Ejemplos: **wife** = **wives**,
